### PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON FAILURE TO RECEIVE THE NOTICE OF MISSING PARTS

Mail Stop Petition Commissioner for Patents U.S. Patent & Trademark Office P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

The Applicant hereby petitions to withdraw holding of abandonment based on failure to receive the Notice of Missing Parts ("Missing Parts") for the above-identified patent application.

A Notice of Abandonment mailed November 2, 2004 (copy enclosed) indicated that the above-identified patent application was abandoned as a result of the Applicant's failure to timely file a Reply to the Missing Parts mailed November 24, 2003.

The Missing Parts was not received by the Applicant's practitioner, i.e., the undersigned. The undersigned believes that the Missing Parts was either not mailed to the designated correspondence address (i.e., the undersigned's mailing address in Southfield,

Michigan which is associated with the customer number 22045 for the above-identified patent application) or was lost in the mail before reaching the designated correspondence address. The undersigned notes that the Notice of Abandonment was mailed and received by the undersigned at the designated correspondence address.

In accordance with MPEP § 711.03(c)(I)(A), the undersigned states the following: (i) the Missing Parts was not received by the undersigned; and (ii) the undersigned has searched through the file, the file jacket, and docket records and did not locate any papers or references regarding the Missing Parts. The undersigned has also questioned mailing and docketing personnel associated with the designated correspondence address and they could not locate or have any memory of the Missing Parts.

#### The Undersigned's Docket Record

The undersigned has attached herewith a copy of the undersigned's docket record for the month of December 2004. The undersigned's docket record for the month of December 2004 includes pages 145-159. The undersigned's docket record is updated monthly and is used by the undersigned to be reminded of due dates for various prosecution matters such as response to missing parts, payment of issue fee, response to office action, etc. in which the undersigned is responsible to handle. As the undersigned's docket record is updated monthly, the undersigned does not have access to earlier docket records.

The undersigned is responsible for the prosecution of the above-identified patent application. As such, any due date regarding a prosecution matter for the above-identified patent application would be listed on the undersigned's docket record.

The undersigned's docket record for the month of December 2004 includes the due dates for all prosecution matters due in the month of December 2004 which are handled by the undersigned. The undersigned's docket record for the month of December 2004 further includes the due dates for all prosecution which were due prior to the month of December 2004 which have not yet been completed as well as monthly reminders for prosecution matters which

S/N: 10/654,239

are due after the month of December 2004 and monthly reminders for prosecution matters which are past their due dates.

As such, page 145 of the undersigned's docket record for the month of December 2004 lists various prosecution matters for different patent applications due for response between February 5, 2002 and June 26, 2004. The two month time period for response to the Missing Parts is January 24, 2004 and the five month extension time period is June 24, 2004. As the undersigned is responsible for the above-identified patent application, the mailing and docketing personnel would have entered entries dated January 24, 2004 and June 24, 2004 for response to the Missing Parts in the undersigned's docket record if the Missing Parts was received at the designated correspondence address. Such entries would be present on page 145 of the undersigned's docket record for the month of December 2004. As noted, page 145 of the undersigned's docket record for the month of December 2004 does not have Missing Parts entry.

#### The File Record

The undersigned has also attached herewith a copy of the front cover of the physical jacket file (KOA 0236 PUS) for the above-identified patent application. The front cover is "a file record" where the Missing Parts would have also been entered by the mailing and docketing personnel if the Missing Parts was received at the designated correspondence address. There are no entries regarding the Missing Parts on the file record.

Atty Dkt No. KOA 0236 PUS (R 1396)

#### S/N: 10/654,239

#### Conclusion

Accordingly, the Applicant requests that the holding of abandonment be withdrawn. In connection with this request, the Applicant has filed herewith a Reply to the Missing Parts package which includes the signed Declaration and the \$130 late filing fee.

Respectfully submitted
